

NOBLE LEADERS ACADEMY

PREPERATION MEETS OPPORTUNITY

SCHOOL INFORMATION

OUR FOUR PILLARS

At NLA the 4 Pillars of our Education Approach are:

Purpose
Skill

Identity
Attitude

We believe that each child is a treasure born with unique talent abilities and skills. Our utmost goal is to unlock this divine attributes.

Identity is part of who we are. We can be Malaysians, we can be musicians or we can be athletes. Identity works hand in hand with purpose. Any child that is given an identity and purpose will be able to excel.

We believe that children need the right skills to excel as adults. The skill sets that children need in order to step into adulthood need to be provided when they are in school. These skills are critical for modern education today. Some of the skills that children need to learn are digital literacy, communication, emotional intelligence, entrepreneurship, problem solving and teamwork.

We want to raise children that are not just book smart but also street smart.

Children from as young as 2 years old need to be taught the right attitudes and characteristics. Our desire is to build children that are not just resilient but determined, responsible and diligent. These characters provide a foundation for creating leaders that are not just honourable but making shifts in any area of work and with people.

THE AMERICAN CURRICULUM WITH CHARACTER BUILDING

CURRICULUM

We use a comprehensive curriculum that uses real books to deliver an engaging and complete education, far richer than textbooks and rote memorization

**LIFE SKILLS AND
ADDITIONAL ACTIVITIES**

Projects and activities carried out in school or out of school in the form of field trips are conducted regularly. Students gain real life experiences that help hone their skills.

CHARACTER FIRST

World's largest character-based educational program that has fun, engaging, positive, practical, and research-based lessons that will help students build character and competence needed for success.

WHY NOBLE LEADERS ACADEMY IS THE SCHOOL FOR YOU?

1

One on one interaction

Small classroom where students are noticed, learning increases

Part of a Community

Students and Alumni of NLA will be come part of diverse and international community of leaders, entrepreneurs and world changers

2

3

Learning Styles are addressed

We understand that children have different learning styles and we address their unique needs and learning style and help them again the learning that they need.

Enrichment Activities and Life Skills

NLA wants to hone skills that will help children in their adult life - skills that schools would normally not teach, we make sure our students are ready to face the world outside.

4

PERSONALIZED PROGRESSIVE INTERACTIVE

Progress Reports

Regular progress reports provide valuable insights to parents and students, offering a comprehensive understanding of strengths and areas for improvement in terms of performance.

Journaling

Journaling is crucial for students as it fosters self-reflection, enhances creativity, improves communication skills, and supports emotional well-being.

Personalized Learning

Our dedicated Education Team will collaborate with you to develop a personalized learning plan that aligns with the unique learning styles of each student.

Interactive Classes

Lessons are thoughtfully designed to be interactive, incorporating engaging elements such as experiments and field trips. These activities aim to motivate students and provide opportunities for them to enhance their skills and knowledge.

COMMUNICATOR

- Express themselves confidently and creatively in more than one language

PRINCIPLED

- Act with integrity, honesty and a strong sense of fairness and justice for all
- take responsibility for our actions and consequences

ENROLLMENT PROCEDURE

Step 1: Application

Submit the completed application form, application fee, and all the required documents to the Admissions Team. The application is only complete when the school receives all the required fees and documentation. Incomplete forms or documentation will not be processed until all required documents have been submitted to school and the application fee has been paid. Please refer to Admission Checklist for details.

Step 2: Availability of Space

The School Admission Team and Teaching Team will review the application received and parents will be advised whether a place is available in the child's grade level.

Step 3: Assessment Test & Student Interviews

All applicants will go through an assessment test and an interview with the teaching team. Pre-entry assessments and student interviews help us evaluate students' academic abilities, and skills, and to see if the student is suited to the NLA curriculum and school life.

Step 4: Admission Review

Applicant parents will meet with the Admissions and/or the Teaching Team to discuss the child's placement. Progress and Development Plan for this student will also be discussed with parents.

Step 5: Admission and Registration

Successful applicants will receive an Acceptance Letter. Enrollment Agreements need to be signed by the parents at this point. Payment of other Fees are required to confirm the child's place at our school. The Registration Fee once paid is non-refundable if cancellation is made by the parent thereafter.
